The only distributed instructional/course management system available

The GoCourse Learning System is a next generation e-learning solution that enables institutions to manage student performance outcomes, enhances teacher effectiveness and motivates students to take ownership of their own learning. GoCourse is the ideal software to grow a return on 1:1 initiatives, take course management to the next level and deliver on the promise of distance learning.

Briefly describe your experience with charter schools, including a list of any charter schools in Utah you have provided services for:

We are currently running a pilot with the American Leadership Academy and we are providing software, services and professional development.
